TOTAL		405	

* Number of known wins; + Does not include domestic wins, front office only or corporate treasury wins; ** Estimated

Footnote 1. The table covers only new name back office deals. Contracts known to cover solely front office or corporate treasury have been omitted from the supplier totals, so too domestic deals for Indian and US suppliers.

Footnote 2. User totals include earlier versions of the system. Eg. The T24 total includes Globus.

Footnote 3. Where no figures appear for previous years, this is either because these systems were not included in previous surveys, the figures were not disclosed, or the systems were not launched at this time.
